Florida Keys & Texas. 700 died

June 28, 1919

Treaty of Versailles

signed in the Versailles Palace outside Paris between the Allied & Associated Powers and Germany. brought World War I to an end. The Treaty ended a continuing controversy over the treatment of Germany. Some saying too harsh & others say too lenient. The French had wanted to dismember Germany.

The treaty included 15 parts and 440 articles. Part I created the League of Nations.

The German government signed the treaty

under protest

1922 French & Belgians occupied the Ruhr

1924 Anglo-American financial pressure compelled France to scale down its goals & end the occupation

1932 The depression led to the Cancellation of reparations

1935 Hitler denounced the Treaty

3/37 → 3/39 Hitler evaded the territorial provisions of the treaty with respect to Austria, Czechoslovakia

and Moravia: 9/1/39 he attacked Poland

Note: no formal peace treaty to end WWII was ever written.
